

VILNIUS TECH Career day

Vilnius Gediminas Technical University (VILNIUS TECH) invites you to participate in the 23rd annual Career Day event, GRAVITY, which will bring together not only our students, graduates and schoolchildren but also the most promising companies and organizations

It is worth participating because you will:

Establish contacts with the most talented students and members of the VILNIUS TECH community

Increase awareness of your brand

Offer job and internship opportunities to students and graduates

Find specialists who will strengthen your workforce

Introduce yourself to the audience of VILNIUS TECH, students and schoolchildren from all over Lithuania

Have the opportunity to visit discussion and entertainment zones
